

POHICK EPISCOPAL CHURCH

Vacation Bible School

July 13-17, 2020

This year we will be having a virtual At-Home VBS Program due to the Covid-19 virus. We are truly going to miss seeing all of the children singing, laughing, learning, and growing together this summer at VBS. Still, we hope we can offer your children the very best alternative with this At-Home VBS program. In parenting you have the most important role in helping your children know how they are loved by God, by you, and by others, and in guiding their spiritual growth and formation. Thank you for all you do in the role of daily discipleship, and thank you for your role in making sure this summer we have the best VBS program possible! Your leadership and supervision in just a few of the activities will make all the difference.

We already know you've been busy adapting to new routines these last month's so we are making this as simple as possible for you! The details of the curriculum are still being worked on but will be available in the middle of June. This will include a video on a virtual platform with the opening and closing skits, music, and craft and science demonstrations. We will provide simple step-by-step guides to assist you in the videos and take home packets for crafts and science projects which we will provide for each day. We will contact you with information about when to pick up the take home packets for the week with the craft and science projects, student papers, music cd, and other goodies! We are looking forward to a wonderful week!
